

PRO-GLAS, INC. HOLDING/SEPTIC TANK —TRANSFERABLE LIMITED WARRANTY—

Please read and keep in a safe place for future reference

Your Pro-Glas Holding/Septic Tank has been designed and manufactured under strict standards to ensure your satisfaction. This warranty entitles the original purchaser to certain warranty protection and may be transferred to subsequent owners by notifying Pro-Glas, Inc. prior to acquisition of the property. There will be a \$150 transfer fee (subject to change without notice) to certify that the tank has not been damaged due to misuse, accidents or acts of God.

This limited warranty may be enforced only by the original owner or transferred buyer and may not be enforced by any other party. The limited warranty does not apply to tanks that are used for purposes other than intended use. Any and all representations, promises, warranties, or statements made by any person or entity other than Pro-Glas, Inc. shall have no force or effect if they differ from this warranty.

STRUCTURAL WARRANTY

Pro-Glas Fiberglass Tanks are warranted against leaking caused by structural failure due to defects in workmanship and material used in the manufacturing process of the holding tank for a period of 3 years from the date of installation under normal intended use.

WHAT IS NOT COVERED

- Improper tank drainage
- Other defects from the owner's failure to perform reasonable and necessary maintenance.
- Warranties regarding the accessories, equipment, supplies and other installed components that carry separate manufacturers' warranties.
- Installation or Repairs made to tank by anyone other than an authorized representative of Pro-Glas, Inc.
- Damage resulting from misuse, accident, acts of God, ground shifting, settling, flood, landslides, subsidence, and earthquakes.
- Installation, dealer storage and/or transportation other than by an authorized representative of Pro-Glas, Inc.

VOIDING THE LIMITED WARRANTY IN THE EVENT OF UNAUTHORIZED INSTALLATION OR DRAINING OF THE TANK

**WARNING! THE TANK MAY CRACK OR BUCKLE IF THE WATER LEVEL FALLS BELOW THE TANK OUTLET
IF BUOYANCY CONTROL MEASURES HAVE NOT BEEN TAKEN**

(Refer to included installation & buoyancy control documents)

The lowering of the water level below the outlet port, whether intentionally or by other means, such as leaks in plumbing, acts of nature, etc. may void the Limited Warranty.

PRO-GLAS, INC.'S DUTY TO REPAIR OR REPLACE

In the event of a leak as a result of defective workmanship or material, Pro-Glas, Inc agrees to repair or replace the defective product within a reasonable amount of time. Replacement or repair will be at the discretion of Pro-Glas, Inc. In the event of a replacement, an identical or reasonable equivalent to the original will be provided. The cost of removing the old tank and transporting it is the owner's responsibility. Pro-Glas, Inc. will absorb the transportation cost of the replacement tank. Repairs and replacements will then be warranted for the unexpired portion of the Limited Warranty. Pro-Glas, Inc is under no duty to refund any part of or the entire purchase price of the tank. During the installation of the replacement tank, Pro-Glas, Inc will use reasonable care, but accepts no responsibility for any resulting damage to the landscape, fencing, and other accessories during removal and reinstallation.

BUYER'S DUTY IN THE EVENT OF BREACH

In the event of breach of the Limited Warranty, the owner must notify Pro-Glas Inc. of the defect within five (5) days by registered mail prior to commencing any repair or replacement of the tank. Pro-Glas, Inc. will promptly provide to the owner in writing the name of the authorized representative to effectively repair or replace the tank. Owner must provide proof of purchase and documentation of installation.

IMPLIED WARRANTY

The duration of any and all implied warranties including warranties of merchantability and fitness for a particular purpose is limited to the duration of the warranty made herein on the Pro-Glas, Inc. Holding/Septic Tanks.
